In G.O.No.Ms.1668, Development, dated 2nd August 1943, Government sanctioned the purchase of a car and a lorry at a cost not exceeding Rs.4000/- and Rs.3000/- respectively. I consulted the Provincial Motor Transport Controller regarding the purchase of a new chassis and he has replied to say that a 3 ton chassis imported under lease/lend terms will approximately cost Rs.5,500/- and suggested that I may take steps to requisition a second hand lorry. The cost of building a body, etc., may come up to Rs.2000/-. Government are aware that Kollegal has no facilities for servicing and that it is best not to rely on a second hand lorry which is more likely than a new lorry to

breakdown. The chances of ensuring uninterrupted service are obviously greater in the case of a new lorry. I therefore consider it best to purchase a new lorry and I understand that chassis imported under Lease/Lend terms are available with the Provincial Motor Transport Controller. I am requesting him to place at my disposal a new chassis for Kollegal Silk Filatures. The funds already sanctioned by Government are not sufficient and I request that Government may be pleased to sanction Rs.4500/- in addition to Rs.3000/- already sanctioned in G.O. referred to above. In this connexion attention is invited to G.O.No.Ms.1800, Development, dated 12th August 1943 wherein Government sanctioned Rs.7500/- for the purchase of a lorry for Government Silk Filatures, Kollegal and have directed the Provincial Motor Transport Controller to place it at my disposal.

A new lorry would cost Rs. 5,500/- for the services at N. and the D.D.T.C. considers it best to purchase a new lorry. We propose to sanction the purchase of a new chassis and ask the P.M.T.C. to place it at the disposal of the Director, as in the case referred to in para 1 above. Finance agree to it. For orders whether this dept. may agree to the proposal as mentioned in the P.M.T.C.'s remarks may be obtained/as in the case disposed of in the first instance in view of this suggestion to requisition a second-hand lorry.

Accepted in Army HQ. It is no good sanctioning the purchase of motor vehicles unless they are simply not available. Second-hand ones command fancy prices. It is better to consult Army HQ in
